Education

He did his graduation in Science opting for Maths, Physics and Chemistry as his main subjects. After completing the graduation in 1982, he joined MBA offered by the Osmania University. He chose Finance as his elective and completed it in 1984. After a gap of more than three decades, he enrolled for MA Psychology course in IGNOU and completed it. He chose Counselling Psychology as his elective.

Experience

He has worked in State Bank of India as an officer from 1984 to 1988. He quit the bank job and set up his own company in the areas of housekeeping, book publishing and retail. Then when he was working in the field of online education, got interested in Psychology and joined a diploma course in Counselling from Banjara Academy, in Bangalore. He subsequently enhanced his qualification with a Masters in Psychology and began to teach Psychology and allied subjects in Banjara Academy and conducted workshops in other organizations. He was also instrumental in putting up a one-year Diploma course online for Banjara Academy. He managed the course for about five years.

Currently, he is the founder-director of Darwin Psychology Centre that offers training in different domains of psychology. He is also an active counsellor.
